Hey Lobo students, The City of Tolleson is having a video contest to promote the 2020 Census, ensuring that all citizens are counted. The census is a survey mandated by the U.S. Constitution to count every resident in the United States. The census provides funding to education programs. You have a chance to produce a video to help get the word out. Go to the District's website at TUHSD.org or the District's Facebook or Twitter page to find out how you can win \$100, \$200 or even \$500 for submitting a winning video that explains the importance of the Census. You have until November 22nd to submit your video online. Good luck!

Hey students, listen up! Did you know that because you are of driving age (16 yrs.) Tolleson Union High School District has some great incentives available to you. The Trip Reduction Program awards a winner from each school an XBOX ONE console. In addition, Main Event Entertainment and Harkins Theaters gift cards are awarded to drawing winners selected from student participants. Do your part to clean the air by using alternative modes (carpool, ride a bike, walk or ride the bus) to get to school! If you're interested in participating in this trip reduction program with a chance at winning a prize, stop by the athletics office to sign up for the trip reduction program and get your name entered into a drawing. Once you complete the paperwork for the trip reduction program you'll be given a form to enter into the drawings.
